WORKSTEAD

ORBIT SCONCE

hardwired

Description

The ORBIT SCONCE is a modern interpretation of an early American candle form. With a spun brass reflector rotating 320 degrees, light is easily cast in the perfect direction. The most elemental fixture in the Orbit Collection, the sconce radiates a unique and warm glow from a single point of light and features an integrated dimmer knob.

Fixture Finish Options

Hewn Brass
Hand Finished Bronze
Brushed Nickel
