## SMALL SHEEP NATURAL FUR/BLACK LOOKING UP

This whimsical sheep was designed by Hanns-Peter Krafft in 1982 with wood legs, leather ears and real sheepskin coats. Made almost entirely by hand, it's built like a piece of furniture and will be sturdy enough to be used as stools.

natural sheepskin fur  
black colored wood legs and face  
W17" x D10" x H20"  
seat H14"  
made in Germany
