## TWO DEER RUG BY ROOMS DESIGN

### ROOMS DESIGN FOR CC-TAPIS

cc-tapis rugs are completely hand-knotted by expert Tibetan artisans in Nepal. A strong respect for the materials and for the culture of this ancient craft is reflected in the company's eco-friendly approach to every step of the production, ranging from the hand-spinning of the softest Himalayan wool to the use of purified rainwater for the washing of the final products, making each one of cc-tapis rugs unique.

A simple design woven with himalyan wool which is highlighted by a bold line of vegetal-silk.
