

BOUCLÉ HER

A curled bouclé fabric, Her drapes and curves around furniture like an elegant designer coat. The spun bouclé yarn created by blending wool, viscose and acrylic gives the surface a soft tactility. During the subsequent dyeing the yarns take the colour differently, creating captivating shifts within the same tones. This effect and a slight sheen from the acrylic blend bring life to the voluminous textured bouclé surface.

BOUCLÉ KALKUTA

A bouclé that intertwines wool and viscose in an uneven texture of loops and curls, inspired by precious astrakhan furs. With its soft and bulky hand-feel, this fabric is ideal for upholstery destined for an intensive use.
