LANTERN SCONCE

hardwired

Description

LANTERN PYRAMID SCONCE features two tapering facets that create an iconic triangular up-light. Handcrafted in the U.S., it features richly textured 100% Dupioni Raw Silk that diffuses light with a soft, atmospheric glow—transforming walls into luminous surfaces. Custom metal hardware and hand-tailored construction speak to its considered construction, while a removable silk tassel adds a touch of movement and whimsy.
