

Dimensions 45 x 47 x h 45 cm
18" x 19" x h 18"

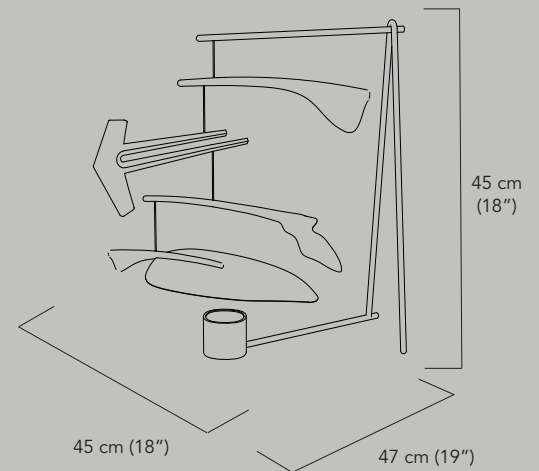

Materials

Solid walnut wood inked with high solid oil finish.

Screens made of nitrocellulose coated paper. Structure made of powder coated steel.

Electrical Input: 110 - 120V

Lead Time 6 - 8 weeks

Maintenance

Wipe clean with a dry cloth or a duster. Do not use abrasive products. Do not use water or wet cloth.

Observations

Object designed for indoor use only. Do not place outdoors or in humid environments. Avoid long and direct exposure to sunlight. All the wooden pieces are handcrafted with traditional woodworking techniques. This manufacturing process results in slight shape variations in every piece making each composition unique. As a natural material, paper screen may be sensitive to changing weather conditions and may vary its shape slightly in time. If this occurs, the screen can be taken back to its original shape by carefully bending the paper in the desired direction.
