Brass

Blackened

Stainless Steel

weight

Bronze / Blackened
(3,000g / 105.82oz)

Stainless Steel
(2,700g / 95.23oz)

packaging

Recycled Cardboard

h 125mm × l 200mm × w 200mm

CLEANING INSTRUCTIONS

Before cleaning, lighting fixtures must be turned off. Unscrewed the face from the mounting plate for finer cleaning. Whilst cleaning please take care and use the gloves provided.

i. metal

The metal used for our range oxidise with age and environment, both of

which contribute to the evolution of a natural patina. If you favour the original bright finish of your pieces, this is easily restored by use of polishing solution - we recommend Braso or Silvo depending on the metal in question - applied with a soft, clean cloth.

Because each object is cast in small batches, slight variations will occur from one individual piece to another. Production marks may include slight pour ripples or surface pitting, which imprint every item with a unique character.

MATERIALS

Bronze

Blackened

Stainless Steel

ORIENTATION
